

Recycling Guide

Gray landfill trash bin is for items like snack packaging (granola bar wrappers, yogurt tubes and other “squirtables”), straws, plastic utensils, and plastic baggies.

Green compost bin is for items like food scraps, yard trimmings, food-soiled paper like cups, plates, napkins, paper towels and other weak or wet paper, like tissues.

Blue recycling bin is for items like metal (including aluminum foil), glass bottles and jars, hard plastic containers and clean paper.
