

# GREEN VALLEY NEEDS YOU!

WE ARE LOOKING FOR MORE AMAZING PARENTS TO VOLUNTEER NEXT YEAR. WE CAN'T DO IT WITHOUT YOU! THE GREEN VALLEY PARENT COMMUNITY, ALONG WITH OUR SUPER STAFF, IS WHAT MAKES US GREAT! WE HOPE YOU WILL JOIN US!

## I'd Love to Help!

*If you're interested in helping out next year, please scan above and complete the form*

## Come on Board!

The **PTA** Board and **The Green Valley Learning Fund** (GVLF) Board, both very different, are both invaluable to our school.

The **GVLF** is a volunteer-run 501(c)(3) non-profit organization that works to fund special programs and personnel on campus. The GVLF was established to *bridge the gap* between public funding and the funding necessary to provide all of the resources and activities that we have at GV. Like many other schools in the area, GV receives very little funding from the district, state, and federal government. In order to provide high-quality programs, enrichment opportunities and dedicated classroom IAs, we rely on the GVLF. This year GVLF funded 7 instructor-assistants (IAs), classroom supplies, the Maker's Space/STEM instructor and supplies; and

additional library hours/week. These programs are funded *exclusively by donations* to the GVLF and wouldn't otherwise be available to our students.

**PTA** is focused on community building by supporting the school community with education, health and safety programs, school-wide events, managing room parents and much more. Parent volunteers are the cornerstone of the Green Valley PTA. Without our volunteers, none of our events would be possible.

Please complete the volunteer form and join in where you can. Any time or effort you can contribute is greatly appreciated!
