Dear Parents,

We hope you had a restful and fun-filled summer vacation. With your child's first school-year at Green Valley quickly approaching we want to welcome you and let you know a few things that you can expect and anticipate during your child's kindergarten year.

Kindergarten is a magical year filled with new experiences and child-centered curriculum. Our academic curriculum revolves around the exploration of the alphabet. Through thematic learning experiences, we will learn about everything from insects to whales. There are many long-standing kindergarten projects, special days, and traditions at Green Valley, including a kindergarten pajama day and pirate day. We'll have several holiday performances (not just in December!) and field trips, too. We will go to a pumpkin patch, Sulphur Creek Nature Center, and of course, the most magical place of all, Fairyland.

We have plenty of opportunities for parents to volunteer in our classrooms and throughout our school. You can find out more about how to volunteer and get involved by visiting [our school district website volunteer application](#). We can't wait to meet you and get started on the first, and most magical, wonderful, amazing year of school. See you soon!

Sincerely,

The Kindergarten Team
